ORDER:

It has come to the notice of the Government that several Endowment officials are putting purely private lands under the prohibitory order list. It is also noticed that this is not only out of pure negligence but also deliberately being done in some cases. This is a serious offence and tantamount to sabotaging the functioning of the Endowment Department. There are good number of cases which are pending with the Commissioner, Endowment office which require to be looked into carefully and disposed. In all such cases, officers who are responsible for the mischief should be chargesheeted. Commmissioner, Endowments should note that this problem is arising as E.Os of various temples are not maintaining temple property registers properly. The E.Os are also not taking interest to pursue with the District and Mandal level Revenue officials to get the temple lands properly recorded in the various land revenue records.

Commissioner, Endowments is directed to instruct Executive Officers to update Property registers, get Pattadar Pass Books issued and protect temple properties. The Special Deputy Collectors and Tahasildars working in Endowments Department should be made to organize this special drive.
